Creating a New Bentek Account as an Employee on Central Login

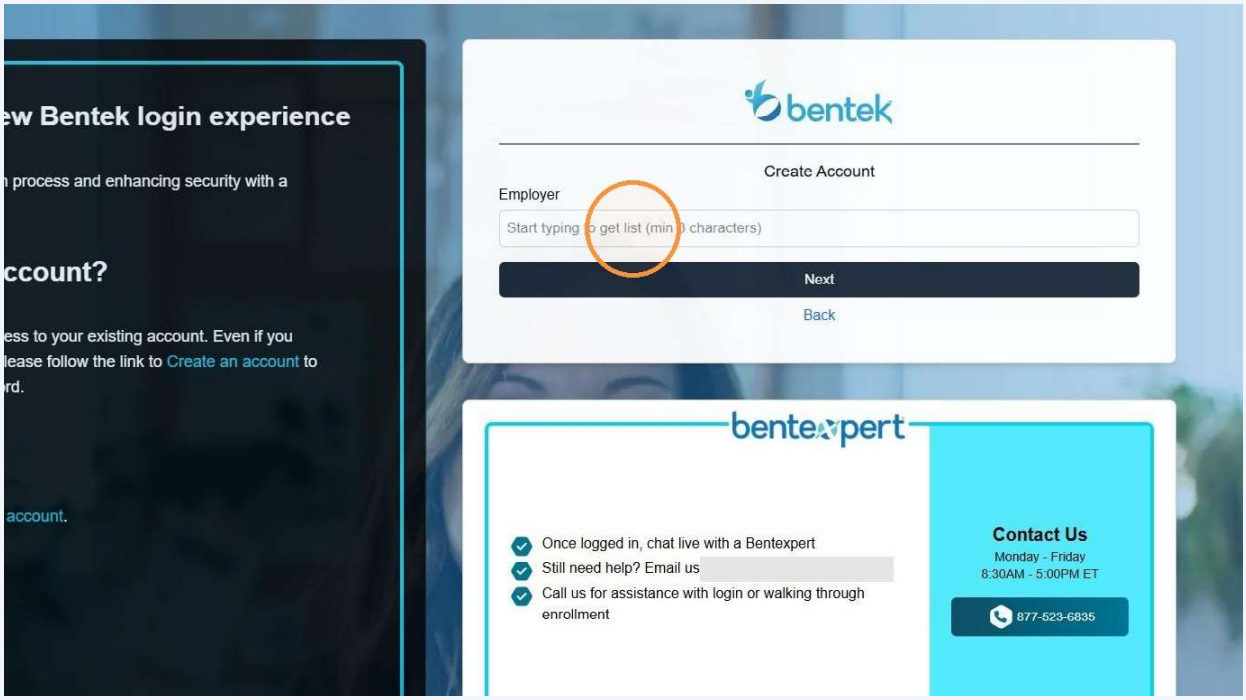

Follow this guide to successfully register and configure your Bentek account for your organization. This tutorial walks you through the account creation steps, identity verification, and secure password setup to ensure you gain access to your employee portal.

URL: https://app.mybentek.com

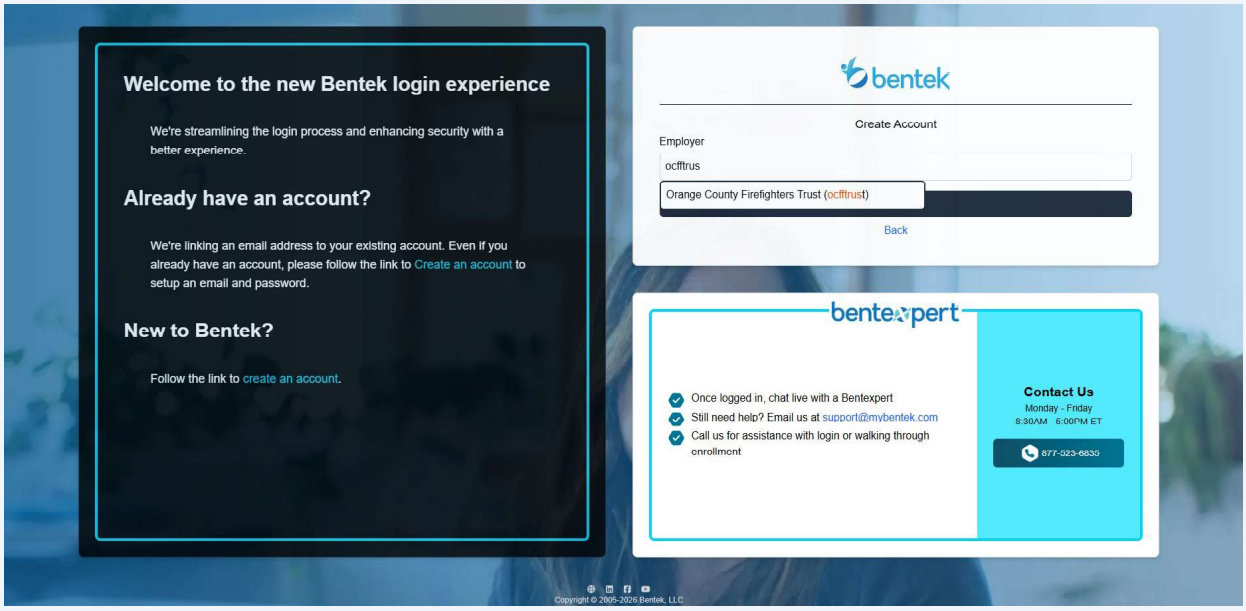

1 If you have never created an account in Bentek before, click "Create an account"

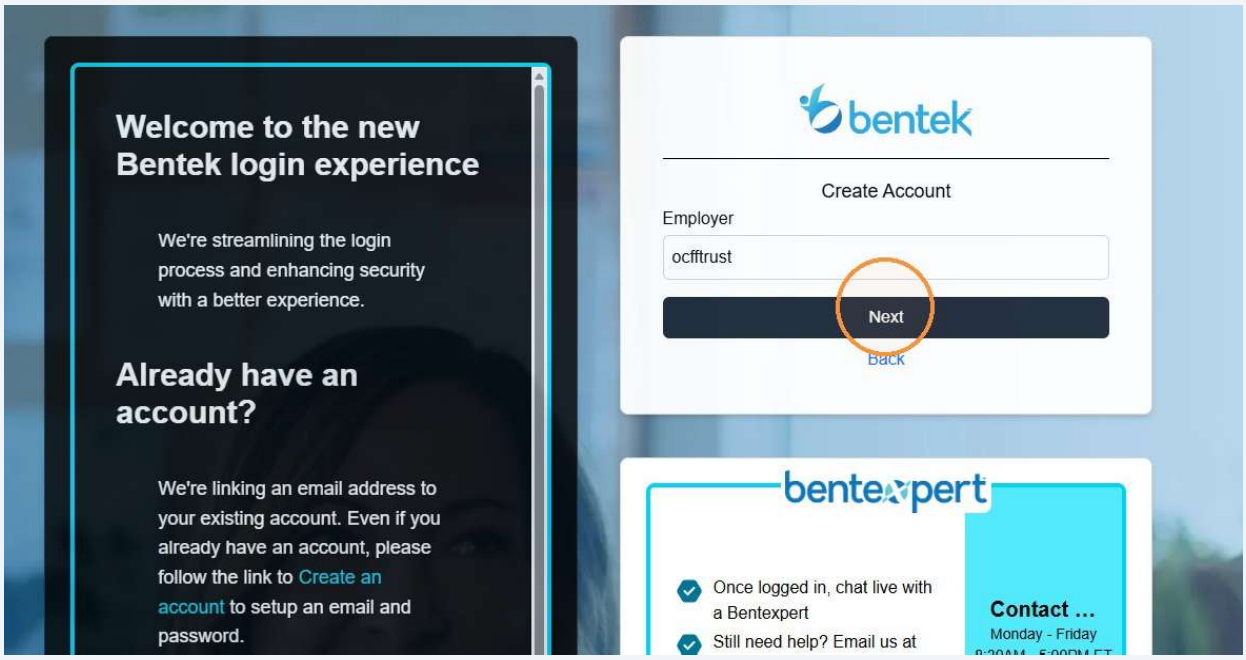

2 Click "Employer"

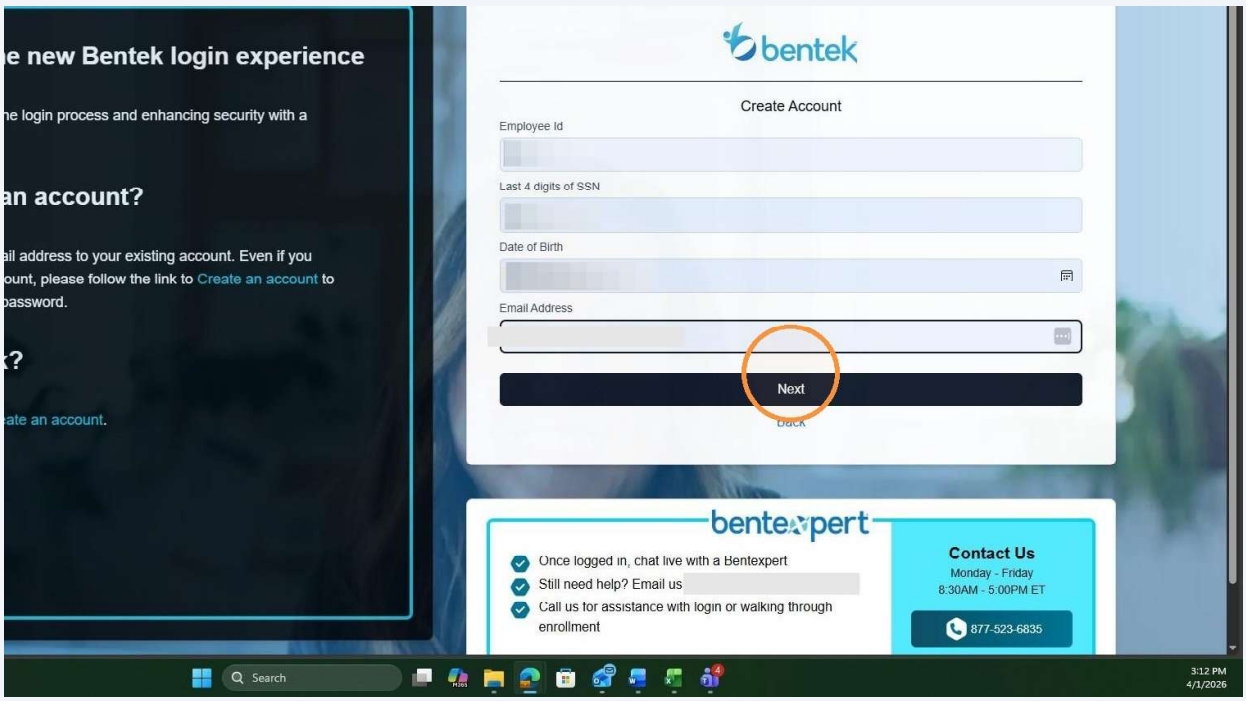

3 Start typing in your Employer name and when it pops up in the dropdown menu, Click your organization's name: "Orange County Firefighters Trust (ocfftrust)"

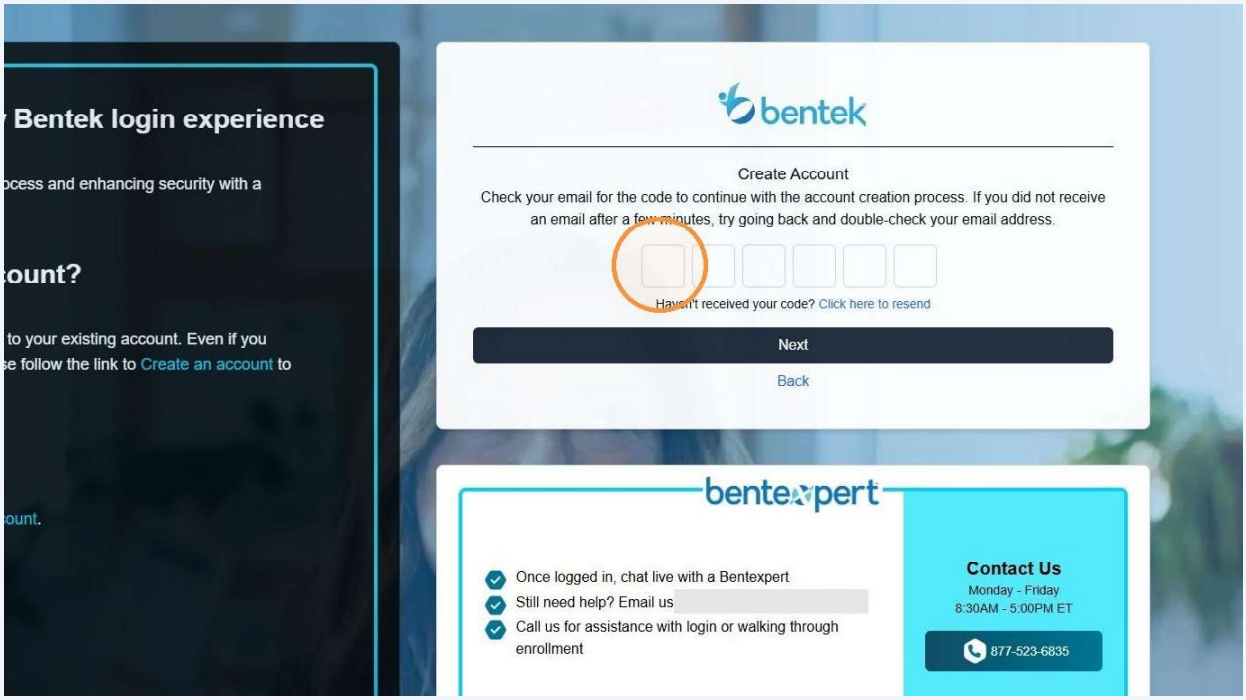

4 Click "Next"

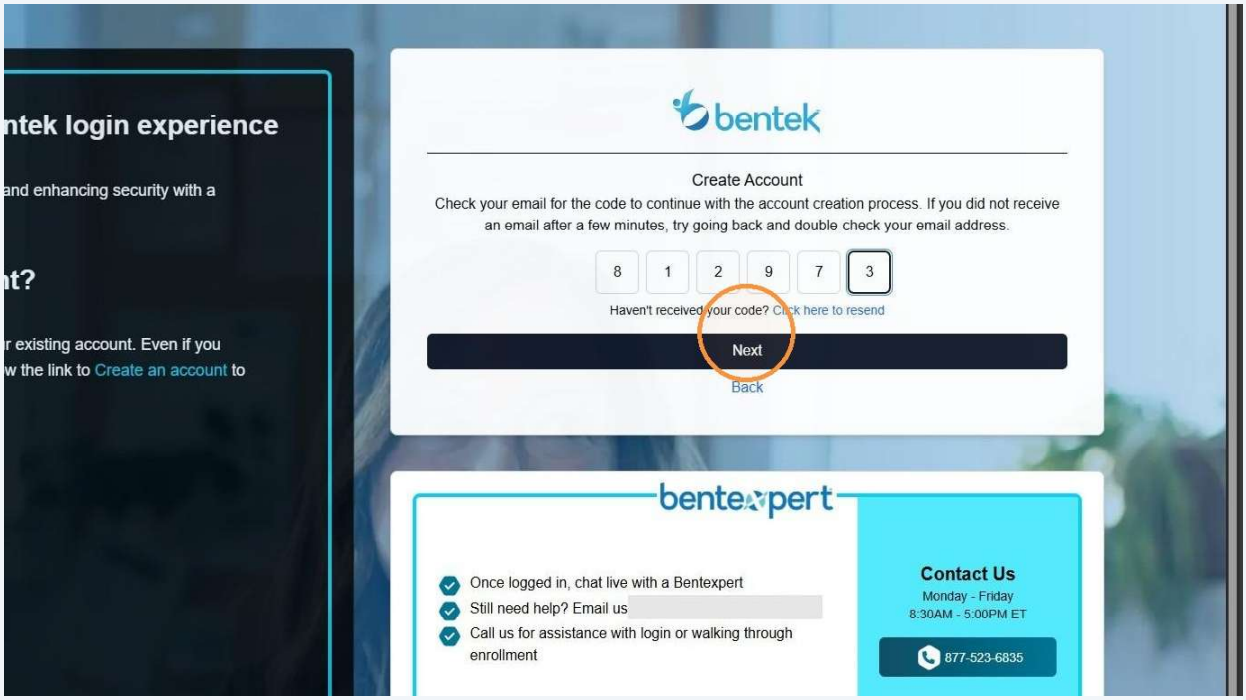

5 Enter in Employee ID, last 4 of SSN, DOB and email address

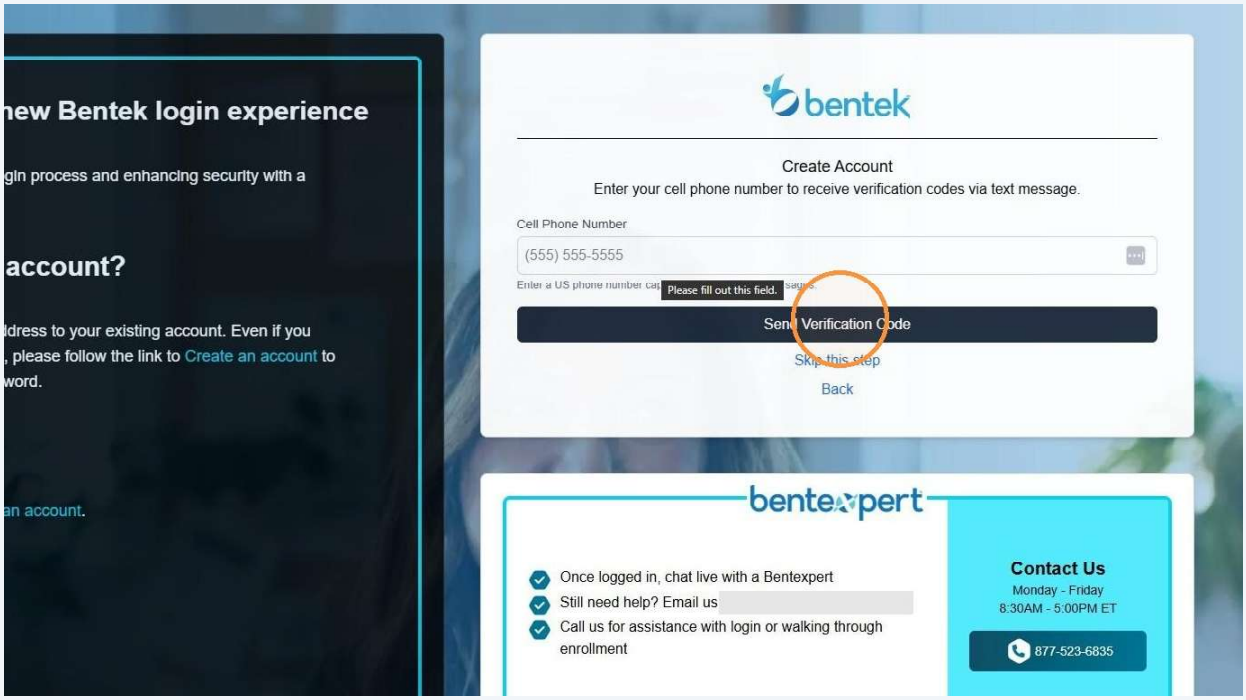

6 Check your email for a 6-digit code and input it here to continue with the account creation process.

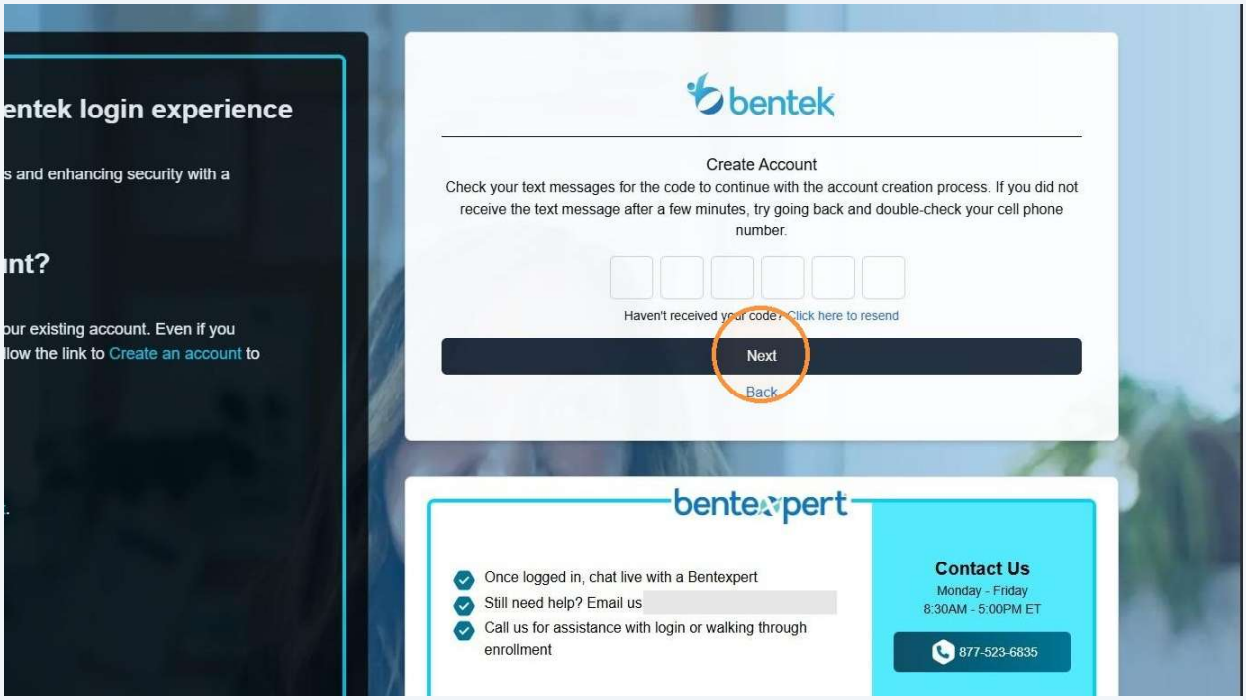

7 Click "Next"

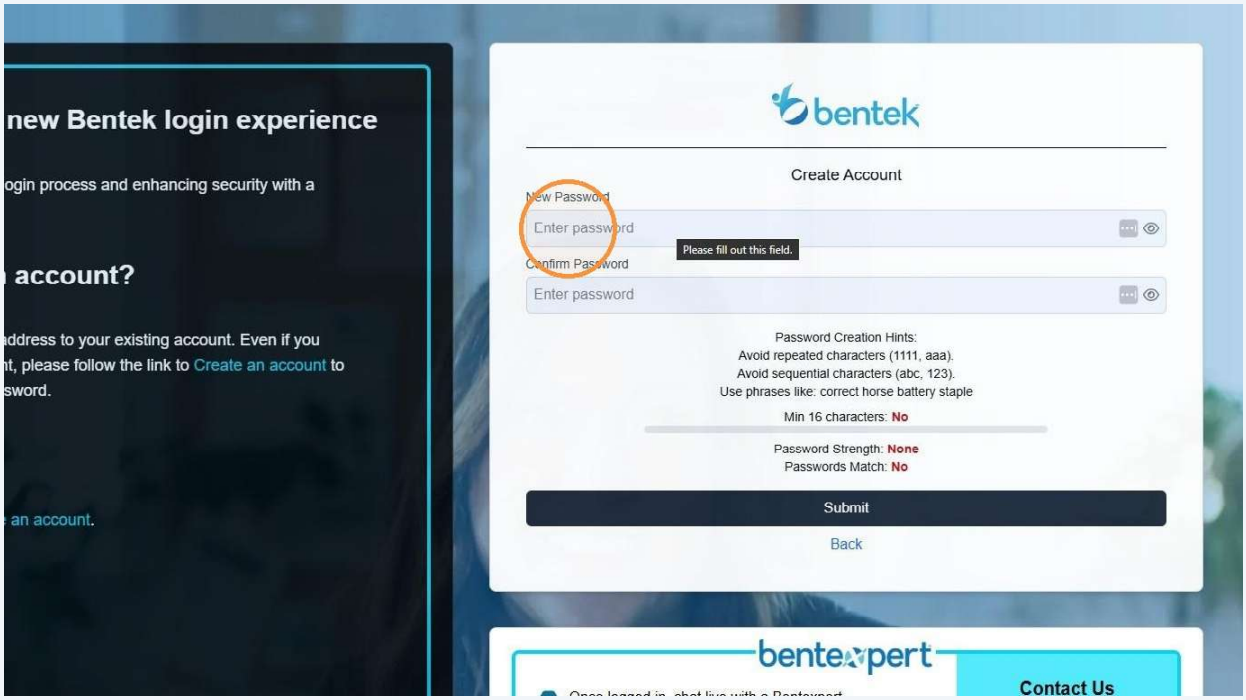

8 To receive verification codes via text message, enter in your cell phone number and click "Send Verification Code." You can also skip this step.

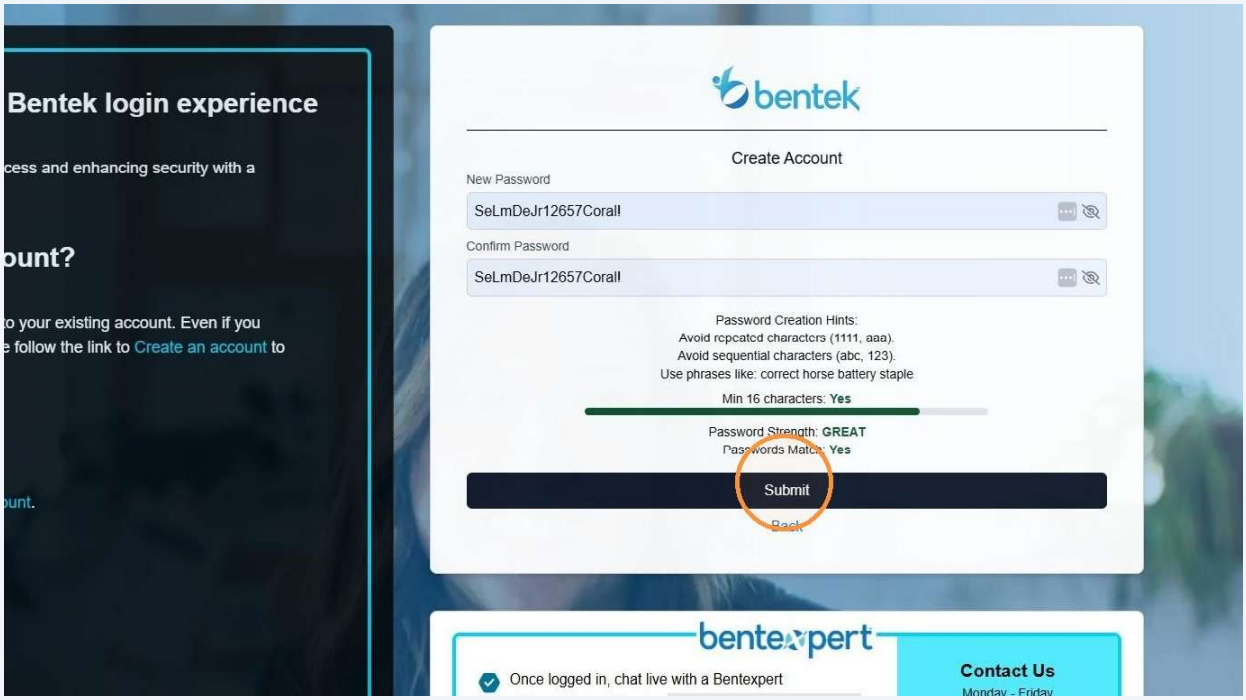

9 If you enter in your cell phone number and click "send verification code," check your text messages and add the code that was sent to you here. Click "Next".

10 Click "New Password" and enter in a password. Confirm your password by reentering it.

11 Click "Submit"

12 Your account has been successfully created. Login using your new login credentials.
